Dear Parent,

Greetings!

“Education is not the filling of a pail, but the lighting of a fire because this passionate fire never ceases to grow.”

With this ongoing pandemic, life has come to a standstill and an unpredictable strand but not denying the fact that, life must go on looking into the positive and brighter aspect of it. Just the same, Education is an unfolding element of life which needs to move on without restraint. We have always believed in imparting qualitative education to our students and making them self- reliant.

During this sensitive time, let’s all join together for the good of our society and our students who are the future of this nation.

We are glad to inform you that **Classes for the new Academic Session 2021-22 will resume for Grade IX & X from 20th of May, Grade I to VIII from 2nd of June and Pre-primary from the 7th of June.** Classes will operate in the Online mode till further notification by the Government.

Nothing makes a classroom feel emptier than wanting our loveable students in it. Though this pandemic has kept us apart for quite a long period, our students will always continue to create a special place in our heart. And therefore, we are again returning with greater excitement and positivity for the commencement of our new academic session.

Once again on behalf of the school management, **we wish you all to stay safe and stay connected.**

Best Regards,

Principal
