**Dear Parent,**

**Greetings from National Public School, Gottigere!**

**“Education breeds confidence, confidence breeds hope and hope breeds peace.”**

The goal of education is the advancement of knowledge and the dissemination of truth. It is an unending process which will never cease its course.

Though the present serious scenario has put a halt to life in an unpredictable manner, however, we should never cease breeding our confidence and hope.

Therefore, looking into the sensitive circumstances around us the school has decided to resume back with its online mode of imparting education from **10<sup>th</sup> June 2021**.

**For Montessori & Grades I to VIII, the online classes will commence from 8.45 am and for Kindergarten, the online classes will commence from 9.45 am. The students are expected to be present on time with no further delay.**

Your utmost cooperation and collaboration will help overcome this crucial time in a promising and triumphant manner.

Once again on behalf of the school management, **we wish you all to stay safe and stay connected.**

**Regards,**

**Principal**
