

Education has always been the most invincible part of a student. It gives them an opportunity to discover themselves, which we at NPS have always focused upon. Even during this unprecedented pandemic situation our institution and staff have reformed, transformed and given a paradigm shift to the complete concept of imparting education. Not to negate the fact, that it has always been the support of our parents which has enabled us to attain the aura of one of the best schools of Bangalore. Your succor has always been commendable.
